General Remarks

This is a rare and exciting opportunity for anybody wishing to take on a substantial redevelopment project, particularly those with equestrian interests. The property is approached off Scotland Lane with its own private driveway which affords the property and gardens a high level of privacy. The character stone-built property provides spacious accommodation arranged over two floors and has excellent potential to be a most impressive home.

The accommodation to the ground floor includes an entrance hall, a particularly large sitting room, games room, snug, house bathroom, dining room and kitchen with rear porch. To the first floor there are five double bedrooms, one of which has ensuite facilities, and a large house bathroom.

Adjoining the accommodation is a very good sized garage/workshop with an upper floor that provides excellent further potential to extend this accommodation subject to any necessary consents.

The collection of outbuildings includes a large outhouse, menage and 12 loose boxes – all of which require extensive renovation or rebuilding works.
